For the four classes. On the front of the card, entitled "Army Invalid" and "Navy Invalid" are the name of veteran, his certificate number, his unit or arm of service, the disability for which pensioned, the law or laws under which pensioned, the class of pension or certificate, the rate of pension, the effective date of pension, the date of the certificate, any fees paid, the name of the pension agency or group transferred from (if applicable), the date of death, the date the Bureau was notified, the former roll number, and "home." On the reverse side of the form appear the name of the veteran, his certificate number, and the rate and record of the individual payments. On the "Army Widow" and "Navy Widow" cards, the widow's name replaces the veteran's, and the veteran's name replaces the information about the disability for which pensioned. A block is available on the "widow" card for recording payments made to minors. A major change in the form of the card occurred in 1923, when the payment was made monthly instead of quarterly. Pensioners whose payments extended beyond this period had their payments recorded on a second card—the monthly payment card. In the few instances where a communication has been attached to a card, the communication has also been filmed.

Film in Group 17 are the pension agency payment books, 1880-1900, which record the system of pension payment under the provisions of pension certificates issued to Army and Navy veterans, their widows, and other dependents to 1914; and the Army and Navy pension applications to 1900.

The editorial material for this publication was prepared by Ralph Sampson and Wilma Farnell.
